The 6th Annual Color Guard Car and Motorcycle Show was a fun day held in the Post 1 parking lot on Saturday, July 15, 2017. Aerial photos were taken by a Post member's drone.

Legionnaire

Jerry Osgood

Gerald (Jerry) Osgood can certainly be considered our go to guy when it comes to complying with the rules and regulations that we operate under as a non-profit and he also makes sure we don't lose our non-profit status or get into trouble with the Department of Revenue. In addition, he takes action as quickly as he can when problems arise with drains, roof leaks, safety issues, and so many other aspects of the building that he's our Clark Kent in disguise when it comes to fixing the old Post building or getting someone in to do what needs to be done.

Occasionally Jerry requires a fresh battery, but very seldom, if ever, do we hear a complaint. Rather, we see his pleasant outlook and it seems to radiate optimism in others.

Jerry Osgood has been a member of Post 1 for 21 years and has held many offices, including two years as Post Commander, Vice Commander, Junior Vice, Finance Officer, SAL Adjutant, and is currently our Memorial Board President. In addition Jerry has been instrumental in managing the Bingo/Raffle for the Post with the help of others,

Jerry Osgood

keeping the machines loaded and ordering new games, and most importantly, filing the mandatory reports with the Colorado Dept. of Revenue. And in the kitchen, Jerry and Sharon are the heavy lifters during the St. Patrick's Day Parade and cooking the corned beef at the Post. When his health was better, he shopped, cooked, served, and cleaned up many breakfasts, lunch, dinner and special events.

Jerry does many other things around the Post, with the help of other Post members, which he often

thanks and tells them how much he appreciates their help and advice. Together, Jerry and his team of helpers have coordinated the building roof replacement, building painting, ceiling tiles, fixed building plumbing problems, and just about anything that needs to be done, such as cleaning out closets. Post 1 commanders have and continue to benefit from Jerry's support and direction.

Jerry has been married to his wife Sharon for 50 years. They met while he was serving in the Air Force stationed at Lowry AFB. Before the Air Force, Jerry had been in the Army for three years. After they were married Jerry spent a year in Viet Nam (Aug. 1967 to Aug. 1968). Upon returning stateside, he was stationed at military posts in New Mexico and California for the next six years. Upon his discharge in 1973, Jerry and Sharon moved back to Denver. Jerry has 10 years in the military and they have two grown kids and three almost grown grandkids.

So, when you see Jerry, he may not look like Clark Kent, but he is great at disguising himself, so please take a moment and say thank you for all that he does.

POSITION OPENING

Legionnaires, do you have a financial background? Are you good with numbers? If so, would you be willing to fill the Post 1 Finance Officer position from September 2017 to July 1, 2018? Contact Commander Tom Yagley, 303-757-1919 or tjaw42@comcast.net.

Riddle — What Is Fun And Happens On September 30?

(Answer Below)

It includes polka music, good schnitzel and German fare and beer, of course, lots of beer plus fun with friends! Practice up your dance steps or toe-tapping for those who

dance like me — maybe we should have a contest for that?! Fun begins at 3 p.m. with dinner at 5:30 p.m. \$10 price of dinner includes free drawing ticket for two steins to be given away. All proceeds from this event are designated for Fitzsimons Nursing Home's project to raise money for a small van. They are currently having to use a large bus for even one or two to be transported to appointments or events, so they want to add a more efficient transport method — with our help.

ANSWER, OF COURSE, IS OKTOBERFEST!!

Mark your calendar to be included — tickets available in advance for dinner.

Commander's Corner

by Commander Tom Yagley

Greetings to all our Legion Family and especially to all new Legion, Auxiliary, and S.A.L. members — welcome to our 2017-2018 new year. The Post members continue to demonstrate our commitment to and support of our Veterans Programs; congratulations on all your accomplishments. Check out *The Reveille* and bulletin boards, there are new events planned. Here we go.

All members of Boards or Committees, your presence is necessary. Please attend respective meetings, or where applicable send a representative.

Looking ahead, I believe LCW #1 should plan on supporting the Veterans Day Parade in downtown Denver. This year on Saturday, please consider attending and if possible participating. Please add November 11 to your calendar.

The following article was provided by Mr. Webb, in the spirit of Volunteering:

Let's Look At Two Parts Of Our Preamble To The Constitution Of The American Legion

During monthly meetings and at other times, we recite the Preamble to the American Legion Constitution, which is as follows:

"To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our associations in the Great Wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.

How can we teach and impress by emphasis or frequent repetition, thereby instilling a sense of individual obligation to our community without starting within our own Post by volunteering? It's a soul-searching question when you delve deep into the role you have as a Legionnaire and therefore a responsibility to volunteer within the Post for events, thereby transmitting to the community your sense of obligation. Events at the Post don't just happen, volunteers are needed and when called for, please step forward. Don't go by the old military cliché "Never Volunteer." Take advantage of the opportunity to put into action the sense of individual obligation to community. Think of Post 1 as the first community you must serve.

We come together to consecrate and sanctify our comradeship, with comradeship meaning one who shares another's interests or activities, and we should do so by our devotion to mutual helpfulness. How can we develop and carry out this sense of devotion? We can strengthen our commitment through volunteering and helping our fellow Legionnaires when called upon to do so. It doesn't have to be taking on a major role such as committee chairperson and it could be as simple as speaking up at a meeting and providing input to ideas, helping with small tasks at the Post, and devoting some time to work with others in a spirit of mutual helpfulness.

Go back to your military training and remember this: "We're a team and a team works together." **TEAM** — Together Everyone Accomplishes More.

We look forward to your support and please step up when called upon or help is needed for an event. For all of you that volunteer now, thank you and may your efforts motivate others to follow suit.

From SAL Squadron 1

Dan A. Szelkowski,
S.A.L. Commander

Hello all of LCW Post 1 S.A.L. members. The new membership drive has started for the 2018 year and the dues are just \$20 (I just paid mine), but if you add just \$15 more you can be the proud owner of a nice S.A.L. polo shirt. We will need your shirt size so we can order more when we run out, not to mention I am sure you would like a shirt that fits.

I want everyone to know Squadron 1 did hit 100% membership for

the 2017 year and I hope we do it again this year!

The first meeting of the new season will be Saturday, September 16 at noon. We will discuss a few things like a steak night in October instead of a Wednesday hamburger night and perhaps a casino night in February. These meetings are for all members, not just the officers, so I invite you to attend. Remember Post activities are for all members of Post 1, not just Legion and Auxiliary members. Hope to see you at the Post!

Jr. Vice, Americanism Chair

Clotilde Szelkowski
Jr. Vice Commander,
Americanism Chairman

First I want to say "Thank You" to all who attended the Legion Hamburger and Spaghetti nights in July. These were my first attempts at "masterminding" the kitchen and your patience is greatly appreciated.

We have Labor Day coming up and I want to remind all of you to be safe and careful during this very busy holiday.

We also have Patriot's Day (9/11) coming soon. As your Americanism Chairman I am planning a short remembrance that day right after breakfast on Sunday, September 10. We will have a short "speech" and a moment of silence. I do not expect this to last more than 30 minutes. This will give all time to watch the game that day.

I would encourage all of you to

stay for this remembrance time. We all have a lot to be thankful for and those who lost and/or gave their lives that day will never be forgotten. I am especially grateful to our

troops who have fought and are fighting this evil that is trying to invade the world. God bless each and every one of them as they do their duty.

Adjutant News

Greetings to all Legion and Legion Family Members! I hope you had a very enjoyable summer. School is back in session and so are we. Starting this month we begin our regular monthly meetings under our new Post Commander Tom Yagley. If you don't know Commander Yagley, please introduce yourself. I am sure you will like him and he is very interested in everyone's input.

I want to take this opportunity to thank our immediate past Comman-

der Tony Jones for his important service and hard work on behalf of the Post. Mr. Jones is a new Department of Colorado Junior Vice-Commander. So, he will still be working on our behalf, but at the state level. In addition, Mr. Jones is responsible for our new six tap beer system and important behind the scene changes that improve our bar operation.

I look forward to a productive and constructive year.

GO BRONCOS!

40/8 Greetings

Chef de Gare du Colorado

Longstanding quotation, "'Tis a privilege to live in Colorado." This summer is no exception. Many of the Legion Family have enjoyed the mountains, hiking, fishing, biking, Cirque Du Soleil, and CCR concert featuring *Have We Ever Seen the Rain*.

This is our 13th year at Colorado State Veterans Home. We cooked burgers and hot dogs for the resident veterans, their families, and staff. The sun was shining on the Legion grill team — next year a canopy.

Following the always enjoyable John Philip Sousa Band of Colorado, District 6 Jr. Vice Commander Anthony Jones presented CSVH their American Legion Charter. The Veterans were truly grateful.

Colorado weather will turn on us eventually, often within hours, the basic need for a warm coat is essential. Our Coat Drive is on, please donate new or gently used coats in the front entrance bin.

All Legion members, veterans, and their families, we are accepting applicants for nursing students pursuing a bachelor's degree as a registered nurse. Please see Vickie as soon as possible for an application. Deadline is November 15, 2017. Call 720-413-0959.

A moment here to recognize Peaches Schamberger for his time and effort supporting Kiwanis Club charities. Dan is the man.

Reminder to send in your 2018 dues, or remit to Voyageur Vickie. Sooner is better, Voiture 97 is truly proud to maintain 100% membership. Next Promenade is September 16, at 10 a.m.

Ackerman, you have the Conn. For God and Country.

President's Report

by Teri Mercill

Even though Auxiliary Unit 1 had the summer off, it doesn't mean that we were static. On July 29 we co-hosted a flea market/garage sale with the Legionnaires for the Auxiliary President's Fund supporting Fitzsimons Assisted Living Center and the Legionnaires' support of Legion Baseball for 2018, netting \$234 for each organization. Auxiliary funds are slated to support Fitzsimons to purchase a small van to take a small number of veterans to doctors' appointments and other trips without having to take the large bus. It will be cost-effective and more comfortable for our veterans who require care on a daily and emergency basis.

In case you missed reading about it in the *Auxiliary National Magazine*, the annual impact of The

American Legion Auxiliary is \$2 Billion (that's with a "B"). That is the value of volunteerism for hours, if paid at market rate, plus the money raised and spent supporting the Auxiliary Mission Outreach.

Unit 1's contribution reported for the 2016-2017 year:
Total Volunteer Hours 1,030.5
Total In-kind Donations \$1,937.20
Total Miles 2,965

Along with the actual dollars donated to the various Legion Programs and Veterans' Organizations the Unit 1 donations totaled \$11,696.50.

So thank you ladies for all you do for our organization.

September 30 will bring back Oktoberfest to Post 1. Spearheaded by Karen Taylor (and family), we will have traditional foods, music

A quote from the Auxiliary Department Convention June 2017 in Colorado Springs...

"LEADERSHIP is not DICATORSHIP. LEADERSHIP is getting members to do a job and have fun doing it!"

and fun. This event will support the Auxiliary President's Fund, Fitzsimons Assisted Living Center, in their endeavor to purchase a small van. Let's make this event a success and hope it will become an annual event.

The fall season is an eminently busy time for LCW Post 1. All the families have events they are planning. This year, Commander Tom Yagley and I are working in concert to build cohesiveness with all our Legion families and endeavor to support and help our members to make successful their individual events. We're in this together!

American Legion 2018 Oratorical Contest

by Will Webb,

Americanism Committee

On July 29, the first meeting of the year for the 2018 American Legion Oratorical Contest was held, and Jay Bowen, Department Commander attended and Janelle Rodriguez conducted the meeting.

An overview of the rules for this year's contest was given and discussion was held regarding the citation of legal cases and the consensus regarding the issue was that judges had the right to call upon the contestant regarding the cases cited and have them explain the case and the precedent set and the effect on the constitution. Also, assigned top-

ics were discussed and the subject of increasing scholarship funds was discussed.

For the State of Colorado, current scholarships for first, second, and third place are \$2,500, \$1,500, and \$1,000, respectively. The increase in scholarship funds was tabled pending a review of finances for the program. For national winners the American Legion awards first, second, and third place scholarships in the amount of \$18,000, \$16,000 and \$14,000, respectively.

Post 1 will send out letters to all schools in our area within the next few weeks and if you know of a high school student that may have an interest in the oratorical contest,

or Boys State and Girls State, please let your Americanism Committee Chairman know and we'll work with the student. The money is on the table so let's see a student from our area win a scholarship. Early preparation of the speech will allow for the correction of mistakes and practice of the speech.

Also, we are looking for judges at the state competition on March 10, 2018. You tell someone on the Americanism Committee that you are interested. The competition will be held at Metropolitan State University at Denver.

Additional information regarding the contest can be found at www.colegionoratorical.org.

LCW Post 1 Baseball Season

by Ron Ice

The 2017 American Legion baseball season is coming to a close. Eaglecrest High School, our sponsored school, had a very successful season with all four teams making it into post-season play. The "A" Elite team was host for the Regional playoffs at Metro State University fields, but unfortunately was eliminated in the second round.

Our "B" team placed third in the State tournament, and both "C" teams made a good showing.

I would like to thank everyone for all your support this season, and for your generous cash donations you contributed to the Post 1 Baseball Fund. The final count from the jars behind the bar was just over \$300, with the Marine Corps topping the count at \$102, and others close behind.

Thanks once again to everyone! Your generosity and support of American Legion Baseball is greatly appreciated.
