POST 1 SAFETY GUIDELINES FOR RE-OPENING

To All LCW Post 1 Family members:

As the COVID-19 situation continues to evolve, the safety of our members, guests, and employees remains our top priority.

We are taking the threat of COVID-19 very seriously and enacting strict, but reasonable preventative measures, in compliance with health agencies. Be aware things will look different for awhile; i.e., some tables and chairs have been removed to allow for 6 foot distancing. Initially there will be no seating at the bar.

We have what we believe is a solid plan in place and your participation and compliance are essential to our success and to everyone's health and well-being!

* All bartenders and staff will have a temperature check.

* We will be asking anyone entering the building to use hand sanitizer upon entering.

* Tables, chairs, bar top and stools will be wiped down and sanitized between each service.

* Prior to opening each day, the Post will be thoroughly cleaned and sanitized.

* All high-traffic areas will be wiped down with Disinfecting Wipes multiple times a day.

* The use of credit/debit transactions is preferred.

Before coming to the Post:

* If you have any of the following symptoms, please stay at home for the safety of our team and other members:

- IF YOU HAVE A FEVER ABOVE 100°F
- IF YOU HAVE A COMBINATION OF TWO OF ANY OF THE FOLLOWING:
    - Dry Cough
    - Sore Throat
    - Shortness of breath
- IF YOU HAVE BEEN EXPOSED TO PEOPLE WITH SUSPECTED OR CONFIRMED COVID-19 IN THE PAST 14 DAYS
- IF YOU HAVE ANY EVIDENCE OF COVID-19 SYMPTOMS

Post 1 reserves the right to do a temperature check at any time and the bartenders have the right to refuse service to anyone showing any symptoms and they will be asked to leave the building.

The above new safety practices are in place until further notice. These guidelines may be updated as we learn more about the government and Center for Disease Control recommendations.

We appreciate your cooperation during this time.
