About The American Legion Oratorical Contest

"A constitutional speech contest"

The American Legion Oratorical Contest exists to develop deeper knowledge and appreciation for the U.S. Constitution among high school students. Since 1938, the program has presented participants with an academic speaking challenge that teaches important leadership qualities, the history of our nation's laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights and privileges of American citizenship. The program has featured numerous politicians and prominent contestants over the years, including former president candidate Alan Keyes and CNN anchor Lou Dobbs.

Young orators earn some of the most generous college scholarships available to high school students. Over \$138,000 in scholarships can be awarded each year. The overall national contest winner gets an \$18,000 scholarship. Second place takes home \$16,000, and third gets \$14,000. Each department (state) winner who is certified into and participates in the national contest's first round receives a \$1,500 scholarship. Those who advance past the first round receive an additional \$1,500 scholarship. The American Legion's National Organization awards the scholarships, which can be used at any college or university in the United States.

High school students under age

20 are eligible. Competition begins at the Post level and advances to a state competition. Legion department representatives certify one winner per state to the national contest, where department winners compete against each other in two speaking rounds. The contest caps off with a final round that decides the three top finishers.

Speaking subjects must be on some aspect of the U.S. Constitution, with some emphasis on the duties and obligations of citizens to our government. Speeches are eight to 10 minutes long; three- to five-minute speeches on an assigned topic also are part of the contest.

Commander's Corner

by Commander Tom Yagley

It's official, first snow arrived in October, November is here, let the holiday greetings commence. Merry Christmas and Happy New Year. The last Reveille of 2018, everyone is looking forward to great times with all the events scheduled.

Membership - Maintaining membership is important to the health of any organization. Thank you for keeping your membership current. We truly enjoy supporting Veterans, Troops & families, and of course our Legion Family.

Community - The American Legion recognizes the community is an essential part of our American way of life. LCW Post 1 is enthusiastically committed to our local community. For example, we have a great relationship with our Cub Scouts, Boy Scouts, Legion Baseball, and with Holly Hills Elementary. In October the Post donated \$1,000 to this school's Library Lending program.

There are numerous helping hands around the Post. I would like to take this opportunity to acknowledge one individual who has truly stepped-up. As Service Officer, he has and continues to help our Veterans; as a new Jr Vice Commander, he is active with numerous events, kitchen, and making friends everywhere. Thank you, Scott Murray!

Sure, The American Legion Centennial is of interest to many. Save the date, March 15, American Legion Birthday celebration. We will announce plans and details soon. If you would like become involved with the Centennial, please let either me or the office know.

From the Legion Centennial website: Legacy Meets Vision

The American Legion Centennial Celebration is not only about honoring the past 100 years of our history, but also preparing to continue our legacy of service. Events and activities at posts all around the world will showcase The American Legion "Still Serving America."

Adjutant News

by Patrick Burch

Happy fall greetings to all Legion Family members! In the good news department, we have a new cook. Please welcome Ida Tholen to the Post 1 family. And, even better Ida is a retired career Army veteran.

There are many activities scheduled over the next two months so please read this issue of the *Reveille* carefully and keep an eye on the

monitor in the bar for upcoming events. Now, hopefully you are feeling all warm and fuzzy. So, please keep in mind that virtually all Legion functions are done by volunteers. Your participation is needed and greatly appreciated.

We can use help for all Wednesday hamburger nights, monthly spaghetti nights (last Thursday of the month) and next year is the Centennial of The American Legion! In addition to all the events that will take place in conjunction with the Legion birthday there are numerous other functions where we need volunteers. I encourage you to get involved, I think you will find participating in the Post activities very rewarding. Contact Georgia in the office or any Post officer to get on board. Merry Christmas & Happy New Year!

BICYCLE DRIVE RESULTS

The Second Chance Bike drive netted 25 bikes and various parts. Ernie Clark says "Thank You."

SAL Update

During the October S.A.L. meeting, Squadron 1 installed a new Commander, Walter "Wallie" Weld. He has been very active in Legion Baseball. Please introduce yourself and welcome him to the Legion Family.

For the S.A.L. members not active at the Post, first, thank you for your continued membership. It truly helps maintain Squadron 1 and the programs we support. Consider attending an S.A.L. meeting. You are always welcome to join us in the kitchen for Hamburger Nights, Breakfast, or any S.A.L. or Legion event. If you have any questions, Jr Vice Commanders Brad Koenig and Nick Yagley can help.

40/8 Greetings

by Tom Yagley, Chef de Gare

It's November, time for the ever-popular Turkey Shoot, November 17. Chef de Gare Atkins is anticipating another successful event. Post members' and our friends' participation help Voiture 97 support our programs. Please see the ad in this issue.

Donated turkeys will be raffled, many delivered to the Fisher House,

and a few prepared for Thanksgiving at Post 1.

Five from Legion LCW Post 1, including three from Voiture 97, visited the Colorado Railroad Museum in Golden. Curator of Education & Exhibits, Elizabeth J. Nosek, met us and provided a wonderful tour of her exhibit — T is for Trains, A thru Z.

M is for Merci Train. A brief his-

tory of the CO Boxcar, missing since...?

We brought our V97 plaque, last time since both Plaques were together? We enjoyed the Museum, Trains, Railyards, everything. Thank you, Elizabeth!

Reminder — membership dues, please see Voyageur Anthony Jones. Next Promenade is Nov 17.

For God and Country.

UPCOMING BIRTHDAYS

Let Us Help You Celebrate

On the second Monday of every month, we celebrate the birthdays for all of our Legion family members. We especially want to include YOU if it is your birthday month. Many people are already on our birthday lists as listed in *The Reveille*, but it is not automatically recorded with your membership. There is a notebook by the sign-in book to list your name and month only of your birthday (no day or year requested), so please be sure you are included and come so we can share a piece of birthday cake and a chance for the \$10 cash drawing among the birthday month's participants. We apologize if your birthday is not listed. Please contact the office with your information. See you there on Nov. 12 and Dec. 10 at 6 p.m.

President's Report

by Donna Thompson

Membership update. As of October 9, 2018, we had 128-member renewals for the 2019 membership year. Our goal is 272. Membership Chairman Georgia Sweeney informed me that our early bird renewal notice helped. She stated, "Just did a quick look/count; it looks like about 34 paid as a result of the email and about 42 from the letter. Let's keep up the good work on achieving our membership goal."

Holiday fair and craft show. The 2018 holiday fair and craft show is rapidly approaching. (Saturday, November 24 starting at 9 a.m.) I hope many of the LCW family members will come and support this function and the vendors who rent the tables. Our crafters always have some interesting items for you to purchase for those names on your Christmas list.

Coffee, donuts, and lunch — there will be coffee, hot tea or chocolate and donuts for you to eat first. A lunch of soup and a sandwich will be available for purchase over the noon hour.

Prize drawings — As is our custom we will be having prize drawings throughout the day of the holi-

day fair. This is a request for donations for the prize drawing. Please bring them to the Post. Prize drawing tickets will be on sale before November 24 and all day on the 24th.

Baked goods table — Don't forget to bring your "yummy" baked goods for us to sell at our baked goods table. We would appreciate if you put a price on your baked item. If your schedule is busy and you don't have time to bake or cook something, we also have a "No Bake — bake sale cash donation." As a suggestion this amount usually amounts to the money your food item would have raised if you had had the time to bake or cook.

Help wanted in the kitchen — This is a request for the Unit One auxiliary members to consider helping in the kitchen during our fundraising events. These events include hamburger night, breakfast, and pasta nights. If you are interested in volunteering or want to know more about how you can help with these events, please contact Vice President Edrie O'Brien. You can reach her by email — edrieobrien@comcast.net. I know she would be happy to hear from you.

Unit One Auxiliary New Member Initiation

An initiation for new members of Unit 1 will be held during the Auxiliary meeting on November 13, 2018, 7 p.m. at American Legion Post 1, 5400 East Yale Avenue, Denver, CO. If you have not been initiated and wish to be, please let us know that you will attend. RSVP to Edrie O'Brien, Vice President, edrieobrien@comcast.net. Thank you.

Thank You To LCW Family Members

A great big thank you to all the LCW family members who so generously donated to the school supply donations.

On Wednesday, September 12, Diane Erickson, Georgia Sweeney, and Donna Thompson took school supplies worth over \$300 to Kenton Elementary School in Aurora, Colorado.

Again, a big thank you for your generosity. Your generosity enabled those students to start their academic year with supplies.

— Donna Thompson, Unit One President

!!!!PRICE INCREASE!!!! 25¢

Now that I have your attention I would like to take this opportunity to introduce myself to the many Post 1 members whom I have not been able to meet. This will be my first article in the *Reveille*. I am convinced the other E-Board members gathered together and agreed to let the new guy break the news regarding the price increase.

I did not protest this assignment. As Post Finance Officer I feel this is part of the job. I have held that position for a little more than a year. It is a challenge to make quite a few moving parts sync into one understandable financial report for the membership as well as House and Planning and E-Board members.

The Post 1 members involved in making day to day decisions do a great job. We have a limited budget

and as a Certified Public Account I can say with confidence we are able to achieve more than a dollar's worth of results for each dollar received.

As we see increased positive results in our overall economy we are experiencing price increases in all of our supplies and products which is a reality in economic theory. The Post has limited income sources and to that end we want and need to make sure we continue American Legion commitments to our veterans.

In preparing financial documents it has become apparent that increased prices are a necessity for healthy continuing operations. In presenting this information to the E-Board and after much discussion it was decided to increase all beverages at the bar. The prices will be increased by 25¢ beginning November 1, 2018.
