NUMBER 4

Post Everlasting

The 2021 Post Everlasting Ceremony was held on Saturday, May 29, from left to right: Chaplain John Holland, Commander Jeff Pitchford, and Adjutant Patrick Burch.

Let's Show Our Deployed Troops That We Care

The Post 1 family will be stepping up to prepare care packages for the 140th Flight Wing AF Reserve Unit with Buckley Space Command deployed in seven locations. We will begin collecting items after July 4 with collection boxes designated in our game room to be mailed the third week of July. Thank you to each of our organizations who have committed to helping with the shipping costs (approx. \$21 per box) and Art and Judith and Frank McCurdy for early donations.

Because most are going to Middle East locations, certain restrictions apply.

No pork products, alcohol or anything containing alcohol in name (We learned with the beer nuts), anything considered pornographic, homemade items or religious materials.

Suggested items: individually

wrapped crackers, cookies, nuts, dried fruits, beef or turkey jerky, hard candy, gum, mints, powdered energy drink mixes, power bars, Colorado items (especially Broncos), paperback books, cards, board games, dice, crossword, Sudoku and word find books, small tissue packs, hand wipes, dental floss, notepads with pens or pencils, puzzles, no chocolate as it melts, liquid items don't fly well due to pressurization, so if sending, please put in an extra sealed plastic bag.

Thank you in advance for your generous contributions to be sent to these men and women. Remember them as you shop and if you don't shop, cash donations are appreciated and we will shop for you. See bartenders to donate.

If questions, please call AI or Karen Taylor at 303-680-6078.

KUDOS to the LCW Post 1 employees who have kept the kitchen and bar in ship shape!

LCW Post 1 scored 100 during the latest health department inspection. This is not an easy accomplishment.

GREAT JOB EVERYONE!!!

NATIONAL POPPY DAY May 28, 2021 Was Challenging!

by Judy Sadler, Poppy Chairman, LCW American Legion Auxiliary

On May 3, 2021, LCW American Legion Auxiliary Unit 1 kicked off National Poppy month by having a "Guess how many M&M's in a jar" contest. By May 26, we sold 200 tickets. We made \$159 for the LCW American Legion Auxiliary poppy fund. Congratulations to Sherry Wing for the winning guess. She won one free night at the Hotel Elegante in Colorado Springs.

All month long, I called on various stores — Sam's Club, Costco, King Soopers on Hampden Ave. Finally heard back from King Soopers on Hampden Ave and they said that I could hand out poppies but could not collect money. Well, that wasn't going to work. Sam's Club and Costco never got back to me.

I then called the King Soopers on Yale and Colorado. Why yes, you can set up tables and hand out poppies and collect money from 9 a.m. to 2 p.m. So, I got my team together — Donna Thompson, Scott

Thompson, Jean Jaffe, Betty Jantz, Deb Davis, Edrie O'Brien, and Jean Gomez.

We began the morning of May 28, 2021, out front of the King Soopers, and set our tables up. No problem, right? Wrong. The manager came out to tell us we couldn't be there due to a conflict of interest. We finally persuaded him to let us stay until 12 p.m. We handed out 150 poppies, 32 Poppy coloring books, 25 American Flag comic books, toy soldiers and flags. And oh, by the way, we collected \$176 for the LCW American Legion Auxiliary Poppy fund.

This poppy money will be earmarked for the 2024 VA/American Legion Auxiliary Creative Arts festival to be held in Denver. This festival was awarded to American Legion Auxiliary, Department of Colorado in April 2021. This is a great honor and the last time Colorado hosted this event was over 10 years ago.

Thank you to my team — I could not have done it without you.

PALISADE PEACHES

It won't be long before it is time to order those amazing peaches.

In remembering our dear member and friend to all, DAN SCHAMBERGER, we will continue his tradition of working with the Kiwanis Club of Aurora to make peaches available.

Watch for notices soon at the Post to order small or large boxes, get prices and delivery dates. Payment must accompany each order, complete with contact phone number.

Delivery will be made to Post 1 on a designated date, which is expected to be one week later than the usual time due to slower development because of weather conditions (approx. third week of August).

Be sure to watch for updates at Post so you won't miss out.

If questions, please call AI or Karen Taylor at 303-680-6078.

Commander's Corner

by Commander Jeff Pitchford

When the last edition of *The Reveille* was published, Spring had just arrived. We are now into summer temperatures, and everybody is searching out an air-conditioned space. I find myself spending every morning and some evenings at Post 1 and my current goal is participation. On June 14, the Post 1 Color Guard, Senior Vice Commander Yagley, Al Jaffe, and Jean Jaffe continued the tradition of changing of the flag at Veterans Park. Erica Jaffe provided the bugle for *Reveille* and *Taps*. Having a live bugle adds a great deal to the ceremony. Thank you, Erica. The old Flag was retired, and the new Flag raised. The only problem...no Post 1 members participated in the ceremony except for Glen Stenson. This is, I feel, a shame and disappointment to not have Post 1 members at the ceremony.

Next, Post 1 had a great turnout for the installation of both Legion and Auxiliary officers in a joint installation. Congratulations to Christina "Tina" Lilly, the new Auxiliary president. President Lilly represents four generations of Legion members, many here at Post 1.

After discussions with Senior Vice Commander Yagley, there will be a concerted effort to jump-start our commitment to the 4 Pillars of the American Legion: Americanism, Children and Youth, Veterans Affairs and Rehabilitation, and National Security. To accomplish this the Post will require funding which can only be done through donations and special events. We also have funds available within Post 1. I want to remind every member the funds in our bank account are not ours. Our requirement as a non-profit and the commitment of the American Legion is to support our 4 Pillars. I feel we have fallen short of that commitment.

Post 1 again this year placed flags at Crown Hill on Memorial Day weekend. The new Medal of Honor flags supplied by Marsha Harrison were used and added a new dimension to the Medal of Honor presentation.

Please join us for a 4th of July lunch. There are rumors of a band plus burgers, hot dogs, and other treats to celebrate America's holiday favorites.

If you have not had a chance to have lunch at the Legion, please try to do so. Invite a friend, co-worker or anybody who would like a great lunch prepared by Chef Gropper. In addition, starting in July the Post will have a once-a-month Saturday night dinner special.

Adjutant News

by Patrick Burch

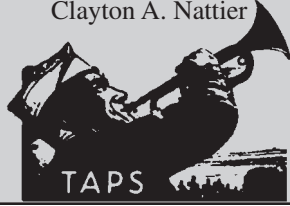

It's summer! I hope all of you have great times during this essentially wide-open season.

The Post installed new officers and E-Board members in June and their names are posted on the bulletin board.

I want to bring a serious concern to everyone's attention. On Monday, June 14, 2021, the United States of

America celebrated Flag Day. The Post Color Guard, Commander, Senior Vice-Commander, Sergeant-at-Arms, and guest Bugler Erica Jaffe participated in a ceremony to replace the Stars and Stripes at Veterans Park. I was proud to be in attendance. However, I regret that the event was attended by only a few Post 1 members (Glen Stenson, Nick Yagley). The ceremony was held at 10 a.m. and the weather was not a problem, my point is that ALL members should make an effort to participate in Post activities such as this. We all have an obligation to promote the Legion and this is an example of a way to do so. Please take part in events that involve the Post. Remember: We are Post 1 and you are the Post!

Greetings from Chef de Gare Randy Ackerman

Fortunately, the ravages of the Corona Virus have been minimized thanks to the introduction of several effective vaccines. The Post is back to being open with normal business hours in effect and business has returned to normal. With this uptick, fundraising by all the families has returned to a regular schedule and fundraising traffic is picking up.

As strange as it may seem, the 40/8 held the postponed Turkey

Shoot on June 19. Obviously out of season for turkeys, but if the Kentucky Derby could be held last September, then it makes a bit more sense. Given the untimeliness, it was well attended with events including turkey races, silent auctions, air rifle competition and 50/50 drawings. Al Taylor made his popular chili which was consumed by participants even though the weather was quite warm. All proceeds from the event go to support 40/8 nursing scholarships and other programs.

The M-4 carbine raffle sold out all tickets in under four weeks. A drawing was held on May 17 with Don Roche being the lucky winner. We Voyageurs of the 40/8 plan on holding a similar raffle again later in the year.

With a bit of luck, we will all return to our usual schedule of events without the disruptions we encountered over the past 16 months and can continue to provide service to the veteran community in an effective manner.

From SAL Squadron 1

by Nick Yagley, Commander

I truly appreciate everyone who helped and attended S.A.L. Derby Day on May 1. Thanks to you, we raised over a dollars.

The winning jockey/horses were: Race 1 (Legion) — Dave R. on Two Buck Chuck; Race 2 (40/8) — Cheryl P. on Talk Derby to Me; Race 3 (Auxiliary) — Joanne C. on Energizer Bunny; Race 4 (Color Guard) — Stacy D. on Ready-Aim-Fire; and Race 5 (Armed Forces) — John H. on the Marine Horse. Once again, thank you to everyone who helped to make this a great event!

On June 4 we held a joint event with Post 87 for Hank S. 92nd birthday. Food was served and was followed by the band, Memories, playing some great music to make it a very enjoyable evening. Special

S.A.L. Sr. Vice Commander Mike Villa, left, and S.A.L. Commander Nick Yagley, right, presenting a check to a representative from Second Chance Bicycles during the used bike drive held at the Post on May 15.

thanks to Carlos P., Spencer M., and Sherry W. for helping out Squadron 1.

Lastly, we need to discuss membership. As you might have guessed, S.A.L. membership is down dramatically across the Nation following

the events of the last year. Renewal for 2022 starts July 1, so please consider stopping in and paying your dues. If you have any questions, please ask so we can get you renewed. Let's have a great summer!

The American Legion Riders

by Michael A. Stone President/Director, LCW Post 1 American Legion Riders

Greetings to the families of The American Legion. This article will talk about helping motorcycle enthusiasts enjoy the road and ride. I know, many of you are probably saying how can I help a motorcyclist enjoy the road and ride, besides not running us over on the streets and highways. Actually, that is point one of this piece.

A study some time ago investigated the visibility of a motorcycle on the road. That is, how visible a motorcycle was to a person driving a car. A couple of interesting (at least to me) things came out of it. First and probably most important was visibility. They found during daytime driving, you can "hide" a motorcycle on the road with a pen. Yes, I did say a pen. Whether the rider wears bright clothing or not, their presence can be hidden by an object no bigger than a pen. Before I wrote this article I tested that the-

ory. My wife was driving and I held a pen up to the view of a motorcycle on the road. I was amazed that it was true. Something no bigger than a pen can obscure a motorcycle to a motorist in a car.

Here is the moral of this, especially now when the weather is good for motorcycle riding. Please pay extra attention when driving near or behind a motorcyclist. Motorcycles can stop significantly faster than an automobile. Even one with Anti-Lock Brakes.

The final point in this article is a true story. Several years ago, I was driving on I-80 in Wyoming. Anyone who has driven the stretch between Laramie and Green River, knows that the wind is REALLY BAD on that stretch. I noticed that a motorcyclist was having some difficulty keeping his bike in the same lane due to a 40-70 MPH cross wind. People would come very close to this person before suddenly changing lanes and probably cursing at the biker, so I decided to try to help.

The motorcyclist was going slower than the speed limit and really having problems with the wind. I feared he might have to lay the bike down because of the gusting wind. I decided to "adopt" him/her. I pulled in behind the motorcycle, at a safe following distance, and drove that way for the better part of 100 miles. What I was doing was setting up a safety zone in case the bike went down. This way, I would be a blocker for other vehicles, so hopefully, no one would run the bike over if it went down.

The Motorcyclist noticed what I was doing and when we got off the highway I was thanked for my efforts. The individual on the bike said it made him feel a little safer, knowing that in the event of an incident, no one would run him down from behind.

Well, that's it from me for this issue. Thanks for reading, and thanks for the support of your American Legion Riders group from LCW Post 1.

President's Report

by Tina Lilly, LCW ALA Unit One

Mentorship is the influence, guidance, or direction given by a mentor. In an organizational setting, a mentor influences the personal and professional growth of a mentee. (*Wikipedia*) Or in other words — **Who is Donna Thompson?**

Past Department President Donna is a consultant in many areas of the American Legion Auxiliary. She has been LCW Auxiliary Unit 1 President five times in 2010, 2011, 2019, 2020, and 2021. Department President from 2000 to 2001. She has chosen to serve District 6 as DEC for numerous years. Donna has shared her own Auxiliary insights gained through years of real-world experience.

Donna has volunteered on the Girls State program in Colorado, in all aspects of the program, serving as Director in 1996. She was the guiding force in the restart of the Colorado Girls State program in 2014 and 2015. Her efforts with the Colorado Girls State Program have made a lasting influence on this program.

She has served as District 6 Past Presidents Parley chairman for many years, as well as in other offices. "As past Presidents, it is our roll to help the next President (or other office holder) to have a smooth year in office," she has said. Donna's willingness to share information has helped many along their path within The American Legion Family. At Department ALA Donna has served on most committees and held most offices.

Along the way she has mentored many members, willing to share her knowledge with others. If you need help, Donna is always willing to help by giving you a helping hand, helping with her knowledge about the ALA or where to go for the answer. A person who lives "Service not Self." **Thoughts from a few Unit 1 members:** "As a counselor she listens and

guides, but does not give away all the answers, giving you guidance to find the answer yourself. Donna reflects on her own experiences to determine when the journey was more insightful than the outcome. In addition to all the constructive feedback and advice that Donna has given and continues to give, she also provides support and enthusiasm. She is a cheerleader!" — Diane Erickson, friend, and PDP.

"Donna is my 'go to' lady. She always has an answer to my many questions, even if she answers with another question so that I must search for a solution. Although I am the Unit Historian, she is Unit 1 History 101 in brief. At the District level she has advised and helped me to grow and to adventure into District President territory. Donna has helped me to keep my gray hair when I was at the Department. Many a time I wanted to pull it all out. But she cheered me on and supported me with knowing hugs." — Deb Davis

"I first met PDP Donna Thompson at the 2017 American Legion Department of Colorado's Convention. She was one of the most impressive women I had ever met.

I joined her Parliamentary group — the Omega Cavaliers to renew my studies in Robert's Rules of Order. As a member, she helped instruct me in various ways. She was the President at the time and from her example, I observed how to preside over a meeting. It was fascinating. She would instruct me on how to find the answer in Robert's Rules of Order. And now, I am helping Donna at various Parliamentary events to instruct others in Robert's Rules of order.

I moved my membership in the American Legion Auxiliary from Unit 17 to Unit 1 in September of 2018. At that time Donna was the President of the Unit. She called me one day saying that I needed to be

the Unit Chaplain — the unit Chaplain had resigned. I said "ME!"

I became the Poppy Chair for American Legion Auxiliary Unit 1. We did several Poppy events and Donna was right there beside me — instructing me on American Legion

Auxiliary policies.

When the Secretary/Treasurer of American Legion Auxiliary Department of Colorado resigned, Donna suggested that I do the financial part of the job of the Secretary/Treasurer. It was a real eye opener to the world

of American Legion Auxiliary.

To say Donna is my mentor does not cover what she has done for me. She encourages, instructs and is a blessed friend. Again, she is the most amazing woman I have ever known." — Judy Sadler

CALENDAR OF EVENTS • July-August 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>***ATTENTION***</p> <p>Beginning in July, for your dining pleasure, LCW Post 1 is starting a monthly Saturday Night Dinner, scheduled for the third Saturday of the month. Legionnaire and Chef, Michael Gropper, will be preparing "summer fare" for July and August. The menu will change every month. The proceeds from these dinners will be earmarked for Veterans programs, which also assists the Veterans in the Culinary Arts Boot Camp program, a 501(c)(3) nonprofit. A little more about Chef Michael and this non-profit. He has owned and operated Full Battle Rattle Deli food service operation for the past two years. He strategically aligned this with the non-profit mentioned above which provides a place for veterans to find both camaraderie and resources when needed. It provides veterans who are homeless or in transition with an 11-week culinary arts training program that leads to gainful employment and stable housing for these veterans. The first two participants of this program under Chef Michael's tutelage at Post 1 graduate July 19, with job offers in hand. This is such a win-win for everyone, an example of Veterans helping Veterans!</p>
