## Color Guard Car Show Fun!

Thanks to all for participating in another successful car show. This year's event netted nearly \$1,500 for purchasing much needed items which will be donated to Step Denver (formerly Step 13) and other local charities. Congratulations to Steve Koritnik, winner of the gun raffle.

Marsha Harrison, Al Doran, Billy Thompson with 3 Star Wars Mandalorians and two young friends.

S.A.L. Commander Nick Yagley, Color Guard Captain Ken, and Auxiliary Past President Donna Thompson with their Mandalorian friends.

## 193rd MP Battalion Colorado National Guard Welcome Home Event Success

The kids' games.

Smoky skies did not hamper a great day for the 193rd Carnival held on July 24, at Carpio Sanguinette Park across from the Colorado Army National Guard Armory. It is tradition to provide a welcome home following AT (advance training), and what a great welcome it was, orchestrated by Amanda, Victoria, Ruth, Marsha, and many others. Excellent meals were prepared by Mike Gropper, Post 1 Chef, and his trainee Greg Mulloy. The children enjoyed the various games

and events, as well as popcorn provided by LCW Post 1. Root beer floats provided by VFW Post 1 were a HUGE hit.

The 193rd has recently provided care and custody with dignity and respect in Bagram, Afghanistan, and Guantanamo Bay, Cuba. The 193rd Military Police Battalion is based out of the Denver Armory. LCW Post 1 is honored to continue to support the 193rd, 140th and 244th.

The John S. Stewart VFW Auxiliary Post #1 invites you to Share Our Dream — A WREATH FOR EVERY HERO AT FORT LOGAN NATIONAL CEMETERY.

Our goal is to provide a wreath for over 110,000 graves and you can help! Every \$15 places a wreath to honor our veterans.

The program grows each year with the help of sponsoring all over the country. In 2020, the year of COVID, 1.7 million veterans wreaths were placed in total across the country, over 10,000 of those at Fort Logan National Cemetery. We invite you to join us on National Wreath Laying Day, Saturday, December 18, 2021, as we place wreaths on our veterans' graves. It will be an experience you will never forget.

## Membership

Tom Yagley, Sr. Vice Commander, Americanism & Membership Chairman

Everyone who has renewed their membership for the 2022 year you are truly appreciated. Processing the cards takes time, early renewals help spread out the workload.

You know the "why" your membership is so important — we support our Veterans and Community via our Pillars: Veterans Affairs & Rehabilitation, Americanism, Children & Youth, National Security.

And for those who have not renewed, this is the unabashed appeal, please renew your membership soon. You do make a difference. The American Legion local and national is a strong effective voice for Veterans.

And of course, Auxiliary, Sons of American Legion, and Legion Riders truly appreciate your membership. The Legion Families consistently provide support and donations for our Veterans and Community.

From the Legion Preamble — "to inculcate a sense of individual obligation to the community, state and nation."

Thank You All. We are Post 1. Gerald you are truly missed.

## THANKS TO ALL ... Who Contributed And Made Our Care Packages Possible

The care packages for 55 troops in the Middle Eastern locations are currently on the way. Your generous contributions of items and money made it possible for us to send some of their specific needs and requests. A special thanks to Dave Powers for getting our mailing needs and our go-to guy, Spencer Mumma, who is always there when we need him in sorting and packing. During this especially troubling time we pray for the safe return of all and we would like to do a welcome home as they return safely.

## Commander's Corner

by Commander Jeff Pitchford

Well, here we are the end of August, and we are looking back at the summer events and preparing for a great fall at Post 1. We seem to be picking up steam as we continue to navigate ourselves from the pandemic. We have been fortunate Post 1 has had no major COVID related illnesses.

On August 7, Post 1 hosted our first of two ceremonies remembering the 100th anniversary of the Tomb of the Unknown Soldier. We hosted various Boy Scout Troops and Cub Scout Packs. Boy Scout Troop 79 advanced the colors. The guest speaker Craig Hudson, a Tomb Guardsman, spoke on the process of becoming a Tomb Guardsman which includes a nine-month training period and a 90 percent dropout rate. The Post 1 tribute to the Tomb is nearing completion and can be viewed in the area behind the flag poles.

The 14th of August the Color Guard held their annual car show at Post 1. Post 1 member Randy Ackerman with his vintage Jaguar and a 1956 White T Bird were two of several favorites of mine.

One of the items on my to do list is a regular night each week for a special dinner. Many Posts will have a Friday Night fish fry or a steak night. I am pondering why Post 1 could not do the same. We are starting slow with a monthly third Saturday night dinner. September 21 will be our third dinner and Chef Gropper has said he will not disappoint those attending. Tickets are being sold at the bar. Several members enjoyed the first two events and commented we should do these events more often. This is doable but we need member participation.

Please note the notices on the bar. It is simple and not subject to discussion just like an airline or ship captain our bartenders are the individuals in charge. While on duty, they have the authority to make decisions which are in the best interest of the bar and Post 1. Please respect that authority and keep the bar a friendly place for all members and guests.

Enjoy the waning days of summer, participate in Post activities, duties, and save the date October 23 to attend the Tomb of the Unknown Soldier commemoration ceremony.

God bless the American Legion. God bless our troops, and God bless the United States of America.

Greetings to all Legion Family members! Hope everyone enjoyed their summer. Compliments to the LCW Post 1 Color Guard for the excellent and very successful car show they conducted on August 14. But now it's time to get back to "standard procedure." As we resume more or less normal operations, please make yourself aware and comply with ALL of the House Rules, they are posted on the fire

### We Are All PEACHY!

doors entering the bar area and in addition copies have been placed on the bar.

It is especially important that rule 12 be read and understood, it states: "No member or guest shall reprimand, instruct, or direct any Post Officer or employee at any time. The bartender is the **PERSON-IN-CHARGE** of the Club, and all members and guests must comply. For those of us who were in the Military we all know and should remember there is only one Petty Officer of the Watch, Sergeant of the Guard or Charge of Quarters. If anyone is unclear of the authority of the Person-In-Charge, please contact me and I will do the best I can to explain to you so that there is absolutely no misunderstanding.

## From SAL Squadron 1

by Nick Yagley, Commander

S.A.L. had a busy July and August. On top of our normal dinner nights, we also participated in a couple of fun events. First was the 193rd Military Police Battalion's carnival. As you might have guessed they had an eventful year. It was a privilege to volunteer at their carnival. Using a popcorn machine borrowed from Commander Pitchford, countless kettles of popcorn were popped and consumed by smiling families. Thank you to the Commander, Scott, Spencer, John, and Tom for all the help.

Next up was the LCW Post 1

Color Guard Car Show. There were numerous amazing cars entered for judging. S.A.L. served the food for the event. Over 175 burgers and 60 hot dogs were grilled by Chris and Rich in the hot sun and heat from the 8-burner grill. Patrick and Spencer handled the money and orders. Fun was had by all.

Lastly, I would be remiss if I didn't mention our burger night on August 18. The power to the greater neighborhood went out at 4:45 p.m. I was ready to scrap the night, but more people kept showing up and not leaving. We decided to serve burgers and hot dogs cooked on the

grill outside. I was amazed at how quickly Lenny M. and Mike V. moved the grill around the building and set up worktables. Spencer M. and Donna T. adapted our setup inside, so we were able to serve. I have to say my favorite part of the night was how understanding everyone was during this lights-out Burger Night. Thank you to everyone who attended.

It is already that time of the year, the 2022 membership cards are in. Please consider renewing as soon as possible. Once again, thank you to everyone that attended these S.A.L. events.

### Sturgis: A Novice's View

by Michael A. Stone  
President/Director, LCW Post 1  
American Legion Riders

Hello readers. As you probably guessed by the title, this will be a look at Sturgis from the eyes of first-time attendee of the Sturgis motorcycle rally. And let me tell you it was quite a look. Here we go.

Monday, 9 August: We left the post around 0730, hoping to beat

the early rush-hour traffic, but that didn't quite happen. It took us 45 minutes to get past 120th. After that, it was slow in parts on I-25 in Colorado, but not bad. When we got past Ft Collins, it was pretty much smooth sailing.

The trip through Wyoming was much as you might expect for eastern Wyoming, as was some of South Dakota. Miles and miles of miles and miles. The closer we got to Deadwood, Lead, and ultimately Sturgis, the more scenic it became.

Much like Colorado, before pine kill. Remember that? Green as far as you could see, with no beetle kill or burn scars. One interesting point, the Sturgis city limits start at least two miles before the actual town. Maybe they hope for progress. But I digress.

We were headquartered at the Glencoe campground. It's about two miles from the heart of Sturgis. It has its own restaurant, bar, and music scene. Mostly cover bands, but all the acts were good to very good. We ate at the campground and hung out the rest of the night at the trailer we rented at the campground.

Tuesday, Wednesday, and Thursday were very similar, went into town to do some shirt, pin, and patch shopping and generally just hung out around town people and bike watching. Just a note here: body painting was very popular at Sturgis, some had full body paint done. There were some extremely artistic examples, and some that weren't that artistic, and we'll leave it at that.

Friday was our big day. We started out going to the Full Throttle Saloon for lunch. It is HUGE, probably well over an acre. Good food and an interesting time. We then went to a place called the Stone House Inn. My idea. Had our pictures taken next to the sign on the building. Our next stop was Mt. Rushmore. Most of us had never seen this monument, it was really amazing. Last, we went to the Crazy Horse monument. There was more completed than expected. We were told that it was only half done. Wow. It was very, very cool.

All in all, I know a couple of things. Patriotism is alive and well in Sturgis, as is appreciation of veterans. For some mysterious reason, tattoos hurt, and you can only look at so much body paint without becoming a critic.

That's it for me. Hope you enjoyed my tome, albeit brief, about a novice's view of the greatest motorcycle rally in America.

## Sr. Vice Commander

by Tom Yagley, Americanism & Membership Chairman

Our American Legion Pillar, Americanism, "promotes an understanding and appreciation of American government, the rights and responsibilities of American citizenship, and activity in the American way of life through youth activities, community service, instruction of prospective citizens, education, and educational facilities, and protection of the U.S. flag from physical desecration."

In July TAL Department of Colorado hosted one of our premier Americanism programs, Boys State 2021. This was my first Boys State. And like everyone who attends as High School students or Legion Members, we are forever blessed and privileged to participate in this fantastic program.

100 young men were divided across four cities named after four Colorado POWs. I was assigned as a Veteran to Hansen City. Worked with Boys State graduates, the Goos brothers, Matthew and Anthony. They were outstanding counselors and great with young men.

I want to recognize our Post 1 members and friends who provided support and leadership during the week-long Boys State program: Mike Stone Jr Vice as Judiciary Counselor, Deb Davis Unit 1 as Counselor and, voted the Best new Staff Member. Ethan Carter was our Post 1 Boys State representative.

Like all his fellow citizens, he was active in his city council. Ethan was one of our excellent speakers at our Tomb of the Unknown Soldier Ceremony Aug. 7 at LCW Post 1. District 6 Past Commander, Annette Johnson, provided excellent direction on Media support.

Post 1 donations included \$1,000 from our American Legion Riders and \$500 from the Post. This helps support our future leaders. I'm sure Post 1 will continue with increased support in the years to come.

Due to COVID restrictions we were forced to change the venue. Hotel Elegante in Colorado Springs responded to the Legion Department appeal and supported The American Legion Boys State event with great facilities and assistance.

Summary — this is just the "tip of the iceberg." It takes tremendous effort by Legion Department and numerous individuals to plan, prepare, and accomplish a successful Boys State.

The closing day theme among the young men, "I am forever changed."

Our Pillars define The American Legion and how we relate and support our local communities. Your support of our Post events, meals, raffles, and donations, provides opportunities to support our Pillars and Communities. Thank You. For God Country

# President's Report

by Tina Lilly, LCW ALA Unit One

It was a busy couple of weeks in late July and Early August. Members of LCW Unit 1 along with the Legion and Riders worked with other VSOs to help make the Colorado National Guard's 193rd MP Battalion family carnival a success. Our own Marsha Harrison received a coin from the commander for her efforts.

Also, on August 7, Maddison O'Shaughnessy, one of our Junior

members, along with the Boy Scouts, Legion, and Riders dedicated a Tomb of the Unknown Soldier Never Forget Garden to the right of the entrance to the Post. Then the Boy Scouts gave presentations on the tomb as well as a guest speaker, a former Old Guard soldier. This was a great day and opportunity to promote our children and youth programs.

The gals at the 193rd event are: Judy Sadler, Tina Lilly, Marsha Harrison, Sherri Lafferty.

## ARE YOU IN THE BOOK?

As a Legion family, we care about the well-being of one another. Because of that we have initiated a way of doing that in case of emergencies. The bartenders have a book for all who are members to list emergency contacts for each person. If you are visiting and an emergency should arise, frequently in the past our bartenders have not had any idea who to contact. So now we ask that you voluntarily add your info in a book for only emergency use which is kept confidential and only used in absolute emergency. Please ask bartender for the emergency book to sign up.

## UPCOMING BIRTHDAYS

We celebrate the birthdays for all of our Legion family members. We especially want to include YOU if it is your birthday month. Many people are already on our birthday lists as listed in *The Reveille*, but it is not automatically recorded with your membership. We apologize if your birthday is not listed. Please contact the office with your name and month only of your birthday (no day or year requested), to be sure you are included. Happy Birthday!
